A personal message from Roop...

Wow we're 10 years old and Doub7e Seven have been providing event solutions for corporate events, charity functions, university balls, parties & weddings for a decade!

How time flies! We thought that now was a perfect opportunity to look back at our business and say thank you to all our wonderful clients past and present.

When people ask what we do, it's difficult to sum up the range of event solutions we offer, but in summary, we act like a "Google search" for the event industry – taking the hassle out of researching entertainers and theming options, whilst **guaranteeing you a pre-vetted, quality solution** – no matter what your event requirements.

Over the last decade I like to think that our quality of acts, reliability, creativity, eye for detail and service have been the reason for so many referrals and re-bookings.

We hope you enjoy looking through the 10 year anniversary booklet and seeing how we believe we make great events better. We have 1000's of ideas – **so want to make a great event special – give us a shout.**

Thanks *Roop*

Live
Music

There are many bands, tribute acts and DJs out there – but are they any good or will they leave your guests underwhelmed? At Doub7e Seven we know live music can bring an event to life – the right band or DJ being the difference between a good and a great night.

Clients rely on Doub7e Seven's in depth knowledge of the live music scene to recommend and book the right act, no matter what your function. We'll make sure they turn up on time, have the correct PA and equipment as well as being appropriate to the audience.

Doub7e Seven can help you find...

DJ's, tribute acts, jazz & swing bands, string quartets, party soul bands, solo musicians, rock bands, Oompah or Caribbean bands... the list is endless.

Want to create an impact from the off or keep your guests entertained throughout your event? Doub7e Seven can provide meet and greeters, living décor, themed artists, stilt walkers, table hoppers (such as close up magicians) and many more options to help you break the ice at any event.

Celebrities & Speakers

As well as taking the hassle away from booking celebrities and dealing with booking agents – we regularly negotiate substantial discounts for personal appearances.

Over the years we've booked politicians, sports personalities, comedians, TV presenters, opera singers and international DJs. We even flew in a client's favourite band from the USA for their party in Yorkshire!

Conference branding & theming

It's important that a company's branding follows through an event and helps maximize the value of the function. We have provided branded stage sets with back drops and lecterns, state of the art AV equipment as well as professional logo animations and presentations to create memorable conferences.
